THE ATLANTIC METROPOLIS CENTRE
AND GLOBAL ISSUES BOOK CLUB PRESENT

“Author Meets Critics”

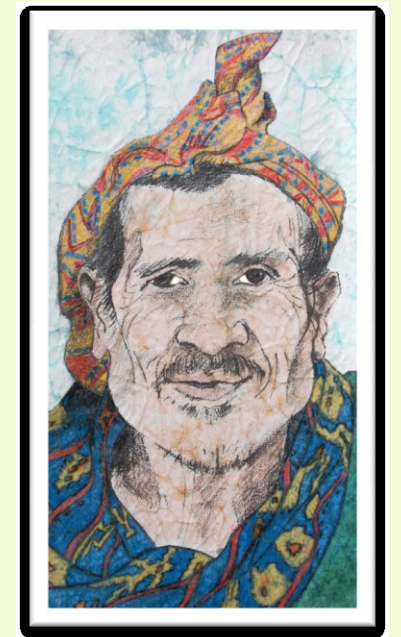

With

CHRIS BENJAMIN

Join members of the Global Issues Book Club and local author Chris Benjamin for a discussion of his critically-acclaimed debut novel *Drive-By Saviours*.

“Chris Benjamin masterfully, magically weaves together the seemingly disconnected worlds of Mark, a failed social-worker-turned-unhappy-grant-writer coming to the end of an even unhappier relationship, and Bumi, an Indonesian illegal immigrant on the run from his past and the ocd that dogs his present.”

— Stephen Kimber, author of *Reparations*
